

Homeowners

- 1 Request for a bin either online in the **getting started tab** or call **LEXCALL 311** to request a bin.
- 2 Residents who do not receive city waste collection service can recycle using one of the drop-off recycling containers located throughout Lexington find these on the drop-off locations page. Material disposed of using either a blue roll cart or drop-off container should be loose, not bagged.
- 3 Once you have your bin, find out your pick-up day by searching your address on the recycling pick-up tab or by using the map.
- 4 As is the case with all carts, your blue recycling cart should be placed on the curb no earlier than 4 p.m. the day before your collection and no later than 5 a.m. on the day of your collection. Carts must be removed from the curb by 7 p.m. on your collection day.
- 5 Find out what you can and can't recycle on the about page and appliances and electronics page.
